“ I am so sorry to hear of Sandra's passing. I never met anyone with a kinder and bigger heart. I enjoyed sitting on her porch with her and just talking and laughing. She always brightened up my day. I am truly going to miss her but I know God will enjoy her company. Rest In Peace Miss Sandra !!!

“ My condolences to the family. Sister Thomas as we called her was good friends with my mom Juanita - she would often eat Sunday suppers at our home. I remember her smile - she played piano for Lively Stone - she would be playing the piano and mom would be rejoicing - she would look at mom and then look my way as if to say look at your mom and she would smile - I know Sister Thomas if there is a piano in heaven you are on it playing and singing (the way you and mom would do here at the house) and mom is up dancing and praising the Lord ! Until we all meet again! What a time that will be!

“ Sandra was full of joy and she would always sing the Close Up toothpaste jingle "Want love, get Close Up!" She loved God so much and to me she exemplified a true servant. We worked together at York. She was a delight to behold and embrace. She was a wondergul friend. I was shocked to learn of her passing. Sandra, I know that heaven is your home now and you are in His presence and we will see each other again one day.

“ My heartfelt sympathy goes out to the family of my beautiful friend Sandra. Our friendship goes back to the day we became friends @ Rosenwald High. Memories(just to mention a few) of our high school prom when we double dated with brothers, spending the night at each other's home, cooking , baking, sewing, and of course listening to her sing and play the piano (Beautiful)

Our lives took us in different paths, but we would always call each other on our birthday. Our 35th High School Reunion was also memorable. Sandra, Betty Lovan Purce (R.I.P.) and myself were the best of friends! I will hold these ladies forever in my heart!

I last spoke with Sandra when I was in Madisonville a couple of weeks before her death. I asked her if she needed anything that I could bring her. but she wasn't up to a visit. We said we loved each other, and I am thankful that I was able to talk to her, and blessed to have her as a Dear Friend!!

R.I.P. Sandra I Love You!!
